Natural version

RINGIES

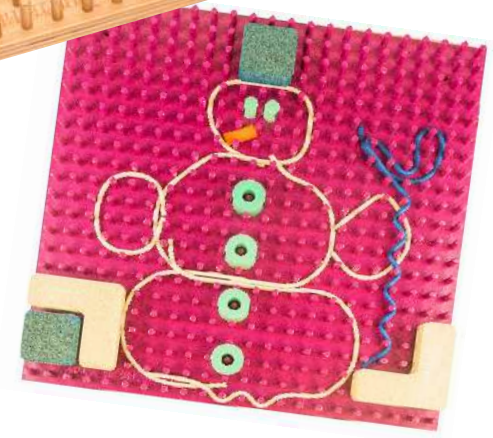

- An unique cork didactic and balance game
- Players can build a "wall" from the circles positioning them on edge and on each other
- 2 size triangles are used as wedges to prevent from rolling
- An aim is to use all the pieces in one wall
- Training of patience, concentration, understanding balance of different sizes, spacial distribution, motor skills, fantasy and combinations
- Cork is more stable, softer and silent when falling, causing less frustration from the failure
- For 2-3 players
- Material 100% cork
- Produced in natural version or in 4 pastel colours (pink, lila, green, blue)
- Packed in a textile sac
- Conform to EN 71
- Content of the set 36 pieces in total:
 - 12 rings in 12 sizes (diameter 22, 24, 26 cm)
 - 12 bigger and 12 smaller triangels/wedges
